**MEMORANDUM FOR:** Acting Deputy Director (Support)

**SUBJECT:** Request for Exemption from Reporting Real Property Controlled by CIA

**REFERENCE:** Memorandum for Acting Deputy Director (Support) from Mr. James A. Garrison, Director of Logistics, subject as captioned above

1. This memorandum contains a recommendation submitted for the Acting Deputy Director (Support) approval. This recommendation is contained in paragraph five.
2. The attached referenced memorandum was forwarded to this Office by Mr. [ ] of your Staff for security opinion.
3. Referenced memorandum indicates that the Agency report to the General Services Administration concerning real property holdings will be limited to the FBIS properties mentioned in paragraphs three and four. This Office has been advised by Mr. [ ] of the Logistics Office that the Office of Operations has concurred in the reporting of the above-mentioned FBIS properties.
4. In connection with the inventory report which will be prepared concerning leased property, this Office has been advised that the Logistics Office is now considering reporting the Rosslyn Garage and the Reproduction Plant. The Security Office interposes no objection to the inclusion of these properties in the inventory report to the General Services Administration.
5. Your attention is invited to the recommendation in paragraph five of referenced memorandum that the Liaison Officer contact the appropriate General Services Administration representative and obtain his informal concurrence to omit from the report for security reasons, certain other

Agency-controlled properties. The Security Office wholeheartedly agrees with this recommendation; however, it is believed that such discussions should be made a matter of record for future reference. In this regard, it is believed that all participants should be identified and the extent of their conversations pertaining to the omission of certain other properties be reported in detail. It is understood that no informal representations concerning the number, location, use, etc., of such properties will be made to the General Services Administration representative while obtaining his informal concurrence for their omission from our report.
